

FedScale is an 8(a) and HUBZone SBA certified Economically Disadvantaged Women Owned (EDWOSB) small business. FedScale provides innovative integration services and solutions for a full range of IT products and functional areas.

As a full spectrum, IT solutions company, FedScale delivers unparalleled Cloud Architecture, Network Engineering, Data Center Transformation, Application Migration, Cyber Security, Operations and Maintenance (O&M), and Security Technical Implementation Guide (STIG) support services.

## Cloud Solutions

**Cloud solutions** allow agencies and organizations to transform business models into more agile, flexible, and nimble operations. Whether they are in the planning stages, have started the transition, or have established cloud solutions, consulting expertise is needed to ensure agency and organizational success.

With public, private, hybrid, and multi-cloud capabilities, forward-looking IT organizations, such as **FedScale** can scale efficiently. Resources can be allocated based on changing application demands. This flexibility allows IT organizations to introduce new products and services at a previously unattainable speed and scale.
