FedScale Receives GSA MAS 70 Cloud Related IT Professional Services Award

FedScale, Inc. is proud to announce the recent addition of Cloud Related IT Professional Services to its existing GSA MAS Schedule 70. The newly added SIN, 518210C (Cloud Computing and Cloud-Related IT Professional Services) consists of 16 additional Labor Categories and gives government customers another contracting vehicle to access FedScale's extensive Cloud Migration capabilities.

The highly skilled FedScale technical team provides public, private, and multi-cloud capabilities to many federal government agencies and is a Microsoft Gold Partner with demonstrated technical capabilities in the Cloud Platform, Application Development, and the Application Integration areas.

FedScale is an 8(a), HUBZone, Small, Women-Owned SBA Certified business and in addition to Cloud SIN 518210C, (Cloud Computing and Cloud Related IT Professional Services), also offers services under SINs 54151S (Information Technology Professional Services), 54151HEAL (Health Information Technology Services), 33411 (Purchasing of New Electronic Equipment), and OLM (Order Level Materials) on the GSA MAS 70 Contract.

Please contact our team for more details regarding this contract at solutions@fedscale.com.
