

CAPABILITY STATEMENT

As a full spectrum, IT solutions company, FedScale delivers unparalleled Cloud, Network Modernization, Data Management, Digital Transformation and Modernization, Records Management and IT Operations services.

Cloud Services

With public, private, hybrid, and multi-cloud capabilities, forward-looking IT organizations, such as FedScale can scale efficiently. Resources can be allocated based on changing application demands. This flexibility allows IT organizations to introduce new products and services at a previously unattainable speed and scale.

FedScale's Cloud Architecture and Migration Services include:

- Consulting and Strategy
- Cloud Application Development
- Cloud Security and Compliance
- Cloud Adoption and Migration
- SaaS Development
- Cloud Infrastructure Management
- Platform as a Service
- Cloud Finops and Optimization
